**Food and Drink**

Food and drink are essential for our survival. We consume various types of food to nourish our bodies and provide energy. Some common food items include fruits, vegetables, grains, and proteins. Fruits like apples,

bananas, and oranges are rich in vitamins, while vegetables like spinach and carrots offer essential nutrients. Grains such as rice, bread, and pasta provide carbohydrates. Additionally, proteins like chicken, fish, and beans help build and repair our muscles.

When it comes to drinks, water is crucial. It keeps us hydrated and supports bodily functions. Besides water, people enjoy other beverages like milk, tea, and coffee. Milk is a great source of calcium, while tea and coffee provide a caffeine boost. However, it's essential to consume these drinks in moderation.

Remember, a balanced diet that includes a variety of foods and drinks is essential for maintaining good health.

*Mom: Hi Jury! I have to work overtime tonight. Could you cook dinner for us?*

*Jury: Of course, Mom! What would you like me to make?*

*Mom: Hmm, maybe a simple pasta with marinara sauce and garlic bread?*

*Jury: Sounds good! But I don't know how to make pasta. Can you share the recipe with me?*

*Mom: Of course, sweetheart! Making pasta is easy. First, boil water in a large pot. Add salt to the boiling water. Then, add the pasta and cook it around 8-10 minutes. While the pasta cooks, prepare the sauce. You can use store-bought marinara sauce or make a simple one by sautéing garlic and onions in olive oil, then adding crushed tomatoes, basil, salt, and pepper. Once the pasta is cooked, drain it and mix it with the sauce. Top with grated Parmesan cheese, and you're done!*

*Jury: Thanks, Mom! I'll give it a try.*

*Mom: Thank you, sweetheart. See you at dinner!*

*Jury: Bye Mom!*
